“What Do You Mean, ‘If I Can’?”

In this verse, Jesus is talking to a dad who is needing a miracle for his son. The dad was struggling with doubt and unbelief concerning whether Jesus could heal his son. Jesus responded to his doubt by saying that anything is possible if a person believes.

What a great statement! Jesus told this man in this verse that anything is possible if we'll just believe. Jesus did the hard part. He provided the miracle, all the dad had to do was believe Jesus.

The same is true for you. You may need a miracle in your life. You might need something that seems impossible. This verse tells us that we just need to believe. Jesus provided the answer to all of our impossibilities, it's just up to us to believe that it is true. When we do, we find that all things are possible if we believe Jesus.
